Sprache und Recht bei der Europäischen Aktiengesellschaft

[Language and Law in the European Company (SE).]

Published in German.
Legal terms in European legal texts – such as the Societas Europaea regulation – are often (unintentionally) interpreted by drawing on national legal notions. Wendelin Mayer's comparative study aims at breaking this seemingly bewitching spell of linguistic confusion and establishing a common European starting point for autonomous interpretation.

Wendelin Mayer Geboren 1986; Studium der Rechtswissenschaften in Freiburg; Referendariat in Freiburg, München und Tokyo; Masterstudiengang (LL.M.) in Comparative, European and International Laws am Europäischen Hochschulinstitut (European University Institute, EUI) in Florenz, Italien; 2017 Promotion (Freiburg); seit 2016 Rechtsanwalt in München.
