

# Thomas Handbuch

Edited by Volker Leppin

From an international and interdisciplinary viewpoint, Thomas Aquinas was the most important scholastic philosopher and theologian. His life, work and legacy are set out in this four section handbook which provides orientation in what is currently known about the man, his affinities and character, his work and its impact. The volume offers a summary of research up until now, as well as a basis for further investigation. Comprehensive indexes and literature sources mean it can be used as a work of reference whose articles can be separately or integrally understood. Writing from their different perspectives, philosophy and history scholars along with Protestant and Catholic theologians all help paint this portrait from their different perspectives.

**Volker Leppin** Geboren 1966; Studium der Ev. Theologie; 1994 Promotion; 1997 Habilitation; 2000-10 Lehrstuhl für Kirchengeschichte in Jena; 2010-21 Lehrstuhlinhaber für Kirchengeschichte in Tübingen; seit 2021 Horace Tracy Pitkin Professor of Historical Theology an der Yale Divinity School.
