Absurde Verträge

[Absurd Contracts.]

Published in German.

Absurd contracts are contracts for goods or services which are obviously impossible to provide, such as are often found in the realm of esoterics, wonder healing, and other pseudo-medical treatments. To what extent is there an obligation to pay for such goods or services? Where does the boundary to the impossible, which is particularly difficult to determine in this context, lie?

Maximilian Becker Geboren 1978; Studium des Deutschen und Europäischen Wirtschaftsrechts an der Universität Siegen; 2012 Promotion; 2013–19 Juniorprofessur für Bürgerliches Recht und Immaterialgüterrecht sowie Lehrstuhlvertretung an der Universität Siegen; 2019 Habilitation; Inhaber des Lehrstuhls für Datenschutzrecht und IT-Recht an der Universität Hannover. <https://orcid.org/0000-0001-8679-8700>
