

Achim Peter

Akoluthiewahrung und Jesusüberlieferung im Jakobusbrief

[Acolythia Adherence and the Jesus Tradition in James.]

Published in German.

Is there any Jesus tradition in James, and if so what is there to be said about this tradition? In his work, Achim Peter addresses these questions, focusing also on the manner in which Old Testament traditions and Jesus traditions are related to each other and are mutually explanatory.

Achim Peter Geboren 1973; Studium der Theologie in Erlangen und Tübingen; Vikariat; derzeit Pfarrer der ELKB in Creußen (Oberfranken).
