

Hans Kelsen

Allgemeine Staatslehre

Studienausgabe der Originalausgabe 1925

Herausgegeben und eingeleitet von Matthias Jestaedt

[General Theory of the State. Student edition from the first edition 1925.]

Published in German.

With his »General Theory of the State,« Hans Kelsen joined the ranks of those who were part of a specifically German tradition, but this work was radically new and different compared to other general theories of the state. Not only did the book serve as a prelude to the so-called »Weimar Debate« on the future of German public law and the methodology of its scholarship, it is also the first cohesive portrayal of the »Pure Theory of Law.«

Hans Kelsen (1881–1973) 1919–30 Universitätsprofessor in Wien; 1919–1930 Verfassungsrichter; 1930–33 Professor in Köln; 1933–40 Professor in Genf; 1936–38 Professor in Prag; 1945–52 Professor in Berkeley.

Matthias Jestaedt ist Professor für Öffentliches Recht und Rechtstheorie an der Albert-Ludwigs-Universität Freiburg.

2019. LXXXVII, 1004 pages.
