

Samuel Vollenweider

Antike und Urchristentum

Studien zur neutestamentlichen Theologie in ihren Kontexten und Rezeptionen

[Antiquity and Early Christianity. Studies on New Testament Theology in its Contexts and Receptions.]

Published in German.

This collection of essays embeds Early Christian literature in its ancient contexts and in its various receptions. The map treated here covers themes such as the resurrection of Jesus and the dead, monotheism and Christology, the impact of ancient philosophy in early Christianity and aspects of Pauline theology.

Samuel Vollenweider Geboren 1953; Promotion und Habilitation in Zürich; 1988/89 Gastdozent in Kyôto und Nishinomiya (Japan); 1989–2000 Professor für Neues Testament in Bern; 2000–19 Professor für Neues Testament in Zürich, seither emeritiert.
