

Sudabeh Kamanabrou

Arbeitsrecht

[Labour Law.]

Published in German.

As a comparatively new area of private law, labour law has developed rapidly and today still finds itself in a state of flux. In her textbook, Sudabeh Kamanabrou deals in detail with both individual and collective labour law. Focusing strongly on the European Union's employment legislation, the author presents its most important regulations. The explanations of individual labour law range from the creation of employment terms to the obligations of contracted parties, how defaults in performance are handled, and follow right through to the termination of the employment relationship. The section on collective law covers the coalition right and collective agreements, the law of industrial disputes as well as workers' participation. Demonstrating the basic structures of these legal branches, the author uses numerous examples to get to the heart of individual practically relevant issues.

Sudabeh Kamanabrou Studium der Rechtswissenschaft an der WWU Münster und der Ruhr-Universität Bochum; 1997 Promotion; 1998 Zweites Staatexamen; 2003 Habilitation; Professorin für Bürgerliches Recht, deutsches und europäisches Arbeitsrecht, Wirtschaftsrecht und Methodenlehre sowie Mitdirektorin des Instituts für Arbeit und sozialen Schutz an der Fakultät für Rechtswissenschaft der Universität Bielefeld.
