

Lorenz Kähler

Begriff und Rechtfertigung abdingbaren Rechts

[The Concept and Justification of Default Rules.]

Published in German.

What are default rules? What consequences do they have and how can one distinguish them from mandatory rules? These questions are at the core of Lorenz Kähler's book that casts into doubt the previous models which tried to explain these rules by the hypothetical will of the parties, by the order of the legal system or by the efficiency of the contract.

Lorenz Kähler ist Professor für Bürgerliches Recht, Zivilprozessrecht und Rechtsphilosophie an der Universität Bremen.
