

Michael Dübbbers

Christologie und Existenz im Kolosserbrief

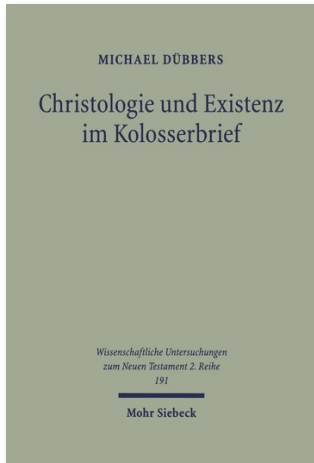

Exegetische und semantische Untersuchungen zur Intention des Kolosserbriefes

[Christology and Existence in Colossians. Exegetical and Semantic Studies of the Intention of Colossians.]

Published in German.

On the basis of a linguistic approach to interpretation, and in contrast to the more dominant approach of a diachronic reading in German studies, Michael Dübbbers takes a new look at central passages of the Epistle to the Colossians. In this context it becomes clear that the author of Colossians did not regard Christ primarily as a ruling sovereign, but that he wanted to reassure the addressees, who had been irritated by Colossian philosophy, of their salvation by reminding them that they are existentially joined to Christ.

Michael Dübbbers Geboren 1968; Studium der Theologie in Marburg, Tübingen und Kiel; 2002 Promotion; Pastor in Sülfeld.

unrevised e-book edition 2019;
Original edition 2005; 2005.
