Das Volk Gottes

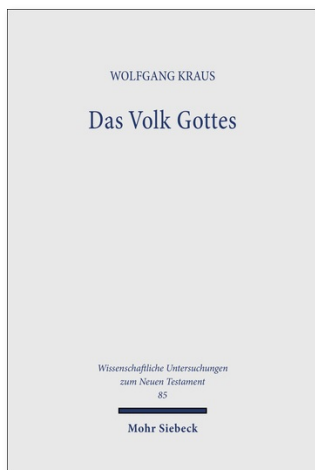

Zur Grundlegung der Ekklesiologie bei Paulus

[The Chosen People. Ecclesiological Foundations in Paul.]

Published in German.

Wolfgang Kraus examines the relationship between the chosen people and the goyim in the Old Testament and in early Judaism. He describes the position of the proselytes, the church as the chosen people in the view of the Christian-Jewish dialogue, and Paul's doctrine of justification through faith as the primary or secondary focal point of his theology.
