Delegation von Privatautonomie auf Dritte

Zulässigkeit, Verfahren und Kontrolle von Inhaltsbestimmungen und Feststellungen Dritter im Schuld- und Erbrecht

[Delegation of Private Autonomy to Third Persons – Subsequent Determination of Terms by a Third Person in the Law of Obligations and Succession: Admissibility, Procedure, Review.]

Published in German.

Private autonomy is one of the foundations of all European systems of private law. It gives each individual the power to determine his legal relationships, both during his lifetime and post mortem. From a comparative perspective, Jens Kleinschmidt explores whether this power can be delegated to a third person, which procedural rules apply to that person's decision and how the decision can be reviewed.

Jens Kleinschmidt ist Inhaber des Lehrstuhls für Zivilrecht, insbesondere Internationales Privat- und Verfahrensrecht, sowie Rechtsvergleichung an der Universität Trier.
