## Demokratische Inklusion durch Recht

Antidiskriminierungsrecht als Ermöglichungsbedingung der demokratischen Begegnung von Freien und Gleichen

[Democratic Inclusion through Law. Anti-Discrimination as a Condition for the Democratic Meeting of the Free and Equal.]

Published in German.

Anti-discrimination law is a fiercely contested issue – for some it is a frontal assault on their private autonomy, for others long-yearned-for protection against discrimination. This apparent fundamental contradiction begs the question of how the law is legitimized. Anna Katharina Mangold's constitutional study argues that anti-discrimination law is vital to democratic inclusion.
