Ad-hoc-Publizität, Schadenersatz und Wissenszurechnung

[The Split Issuer. Ad-Hoc Publicity, Damages, and the Attribution of Knowledge.]

Published in German.

What does an enterprise »know«? Is it liable for damages if it fails to disclose information to the market that is not known to the board but to its lower management? Chris Thomale investigates these questions using economic and comparative analysis.

Chris Thomale Geboren 1982; Studium der Rechtswissenschaft in Heidelberg, Cambridge (Clare College) und Genf; 2011 Promotion (FU Berlin); 2014 LL.M. (Yale Law School); 2017 Habilitation (Heidelberg); seit 2014 Akademischer Rat an der Universität Heidelberg.
