## Der Marco jurídico para la paz und die Rolle der transitional justice in Kolumbien

[The Marco Jurídico para la Paz and the Role of Transitional Justice in Colombia.]

Published in German.

In order to end the armed conflict in the country, Colombia concluded a peace agreement demanding that perpetrators be brought to justice and that victims learn the truth and be afforded reparation. Niklas Eckhardt analyses the concept of transitional justice within the Colombian peace process and its compatibility with constitutional and international law.
