## Der Menschenwürdegehalt der Grundrechte Grundfragen, Entstehung und Rechtsprechung

[The Essence of Human Dignity in Fundamental Rights. Basic Questions, Original Meaning, and Case Law.]

Published in German.

The right to human dignity enshrined in Art. 1 Sec. 1 of Germany's Basic Law is also intended to protect the essence of dignity in every other fundamental right. Taking human dignity seriously as a constitutional right therefore means defining it inductively by specifying the essence of dignity contained in each of these rights.

The three volumes (JusPubl 276, 277, 278) can either be purchased separately or as a set.
