

Florian Knauer

Der Schutz der Psyche im Strafrecht

[Protection of the Psyche in Criminal Law.]

Published in German.

For some time now, lawmakers have been trying to improve protection of the psyche in criminal law. This development has scarcely been noticed in penology up to now. Florian Knauer provides the first systematic analysis of the basic problems involved in the psyche's protection by criminal law.

Florian Knauer Geboren 1975; 2004–12 Wissenschaftlicher Mitarbeiter an der Juristischen Fakultät der Humboldt-Universität zu Berlin; WiSe 2012/13 und SoSe 2013 Vertretung eines strafrechtlichen Lehrstuhls an der Leibniz Universität Hannover.

2013. XVII, 319 pages.
