Die Architektur des europäischen Grundrechtsschutzes nach dem Beitritt der EU zur EMRK

[The Architecture of European Protection of Fundamental Rights after the EU's Accession to the ECHR.]

Published in German.

After the EU's accession to the European Convention on Human Rights, the European Court of Human Rights will be able to rule on appeals against the EU. This not only changes each individual's situation in regard to legal protection but also means that the relationship between the European Court of Human Rights and the Court of Justice of the European Union will have to be redefined.
