Die »entgeltliche« Geschäftsführung ohne Auftrag

Grundlagen und Grenzen eines außervertraglichen Leistungsaustauschs

[The »Nongratuitous« Benevolent Intervention in Another Person's Affairs. Basic Principles and Limits of a Non-Contractual Exchange of Services.]

Published in German.

Is someone who is acting »on behalf of« someone else without any contractual or special legal basis entitled to claim reimbursement for his activities? What is the tangible form of this claim, and what effects does it have on other regulations? In his detailed study, Florian Loyal deals with these issues, which have been in dispute for a long time, and gives his own solutions to these.

Florian Loyal ist Professor für Bürgerliches Recht und Zivilverfahrensrecht an der Universität Leipzig.
