

Johannes Liebrecht

Die junge Rechtsgeschichte

Kategorienwandel in der rechtshistorischen Germanistik der Zwischenkriegszeit

[Young Legal History. Category Change in German Legal-Historical Studies of the Inter-War Period.]

Published in German.

Between the world wars German scholars committed themselves to a search for new methods of engaging with legal history. In addition to this an obvious generational change – almost a rupture – took place among German legal historians. Johannes Liebrecht depicts the characteristics of young legal history and its entanglement with the crisis of historicism between the 1880s and 1930s.
