

Essays on the Psalms of Solomon

Its Cultural Background, Significance, and Interpretation

Edited by Kenneth Atkinson, Patrick Pouchelle, and Felix Albrecht

[Essays über die Psalmen Salomos. Ihr kultureller Hintergrund, ihre Bedeutung und Auslegung.]

Published in English.

The *Psalms of Solomon*, a collection of 18 Jewish psalms from the Second Temple period, have long been a fascinating topic for scholarship. In this volume, leading scholars from a range of disciplines offer new insights into the cultural background, literary form, theological themes, and reception history of the *Psalms of Solomon*. The essays address a range of topics, including the origin of the text in Palestinian Judaism, the temple in the *Psalms of Solomon*, and the question of its canonical status.
