

Sandra Leuenberger-Wenger

## Ethik und christliche Identität bei Gregor von Nyssa

[Ethics and Christian Identity in the Works of Gregory of Nyssa.]

Published in German.

In this work, the author examines the significance of the concept of identity for the ethical reflections of Gregory of Nyssa. Depending on the audience for which his message was intended, Gregory approached the issue of a lifestyle in accordance with the principles of Christianity in various ways. Whereas the vast majority of his community members had to be exhorted to lead a good and decent Christian life, the literate audience who read Gregory's texts or asked him what a good and virtuous Christian life was had already thought about this subject and had to be shown the superiority of the Christian way of life in comparison to other philosophical concepts.

**Sandra Leuenberger-Wenger** Geboren 1976; Studium der Theologie in Zürich und Rom; 2002–2003 Vikariat bei der Zürcher Landeskirche; 2007 Promotion; seit 2008 Oberassistentin am Lehrstuhl für die Geschichte der Alten Kirche und des Mittelalters der Universität Zürich.
