

Gemeinwohlverantwortung im Binnenmarkt

Hrsg. v. Ulrich Becker u. Jürgen Schwarze

[Responsibility for the Public Welfare in the Domestic Market.]

Published in German.

This volume contains articles which examine a common problem from very different perspectives: the problem of regulating and shaping the European domestic market. The authors outline the results of a joint event held by the special sections for European law and labor and social law which took place at the 32nd conference of the Society for Comparative Law.

Ulrich Becker is Director of the Max Planck Institute for Foreign and International Social Law, Munich.

Jürgen Schwarze ist Professor emeritus für deutsches und ausländisches Öffentliches Recht, Europa- und Völkerrecht an der Universität Freiburg.
