Published in German.

This volume contains the latest reports made by the Institute for Ecclesiastical Law of the Protestant Church in Germany. Approximately half of the reports made by the Institute between 2008 and 2020 have been selected. These include the Jus Ecclesiasticum Volumes 14, 30, 48, 69 and 88, comprising a total of more than seventy-five years of the Institute's work, which has now been documented. The comments deal with basic problems which arise in practical church work.
