

Erasmus Gaß

Gott, Gewalt und die Landnahme Israels

Eine literarhistorische Analyse von Josua 9–12

[God, Violence and Israel's Conquest. A Literary-Historical Analysis of Joshua 9–12.]

Published in German.

In this study, Erasmus Gaß analyzes the redaction history of the conquest narratives in Josh. 9–12. It is apparent that many redactors worked on this text, which is indicated not only by the idiolect but also by the references to Deut. and the text-critical deviations. The texts examined here show how Deuteronomist redactors in particular introduced their theological conceptions.

Erasmus Gaß Geboren 1971; 2001 Promotion; 2008 Habilitation; 2014–20 Professor für biblische Einleitung, 2020–21 Professor für Altes Testament in Trier; Professor für Alttestamentliche Wissenschaft an der Katholisch-Theologischen Fakultät der Universität Augsburg.
