Gott und Mensch

Differenziologische Analysen zur Grammatik des Systems christlicher Existenz

[Divine Distinctions. Analyses of the Grammar of the System of Christian Existence.]

Published in German.

Christian life takes its characteristic form by dealing with different things in different ways. This poses a key theological question: To whom should we attribute these distinctions? Stefan Berg traces how the grammar of the system of Christian existence unfolds as a series of re-entry movements.

Stefan Berg Geboren 1978; Studium der Ev. Theologie in Marburg und Basel; 2011 Promotion an der Universität Zürich; 2020 Habilitation an der Universität Basel; derzeit Privatdozent im Fach Systematische Theologie an der Universität Basel.
