### Die traditions- und religionsgeschichtlichen Hintergründe des Habakkukliedes

[God in Motion. Traditions and Religio-Historical Backgrounds in Habakkuk's Prayer.]

Published in German.

Habakkuk's prayer is one of the most mysterious texts in the Old Testament. To understand its theology, a closer look at its background as well as its formation is necessary. Judith E. Filitz shows how the text reveals a theology of the divine presence that describes a God able to stay close by being on the move.
