Haftungsbeschränkung im Bürgerlichen Recht

[Limitation of Liability in Civil Law.]

Published in German.

A working liability law is essential not only for an »equitable« balance of the interests of obligee and debtor but also a prerequisite for modern economic orders. Philipp S. Fischinger ascertains different methods to limit civil liability, such as the discharge of residual debt and the limitation of an employee's liability towards his employer in the case of workplace accidents.

Philipp S. Fischinger ist Professor für Bürgerliches Recht, Arbeitsrecht, Handels- und Wirtschaftsrecht sowie Sportrecht an der Universität Mannheim.
