

Joachim Algermissen

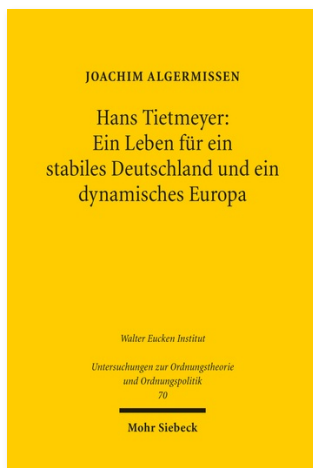

Hans Tietmeyer: Ein Leben für ein stabiles Deutschland und ein dynamisches Europa

[Hans Tietmeyer: A Life for a Stable Germany and a Dynamic Europe.]

Published in German.

Hans Tietmeyer's influence on economic, financial, and monetary policy in post-war Germany remains unsurpassed. Just how far his ideas went is made clear by Joachim Algermissen in this volume, which publishes for the first time background discussions with former Bundesbank president Tietmeyer as well as twenty-two of his colleagues, among them Jens Weidmann, Theo Waigel, and Jean-Claude Trichet. The revelations from Tietmeyer's private archive bring new and explosive details from behind the scenes into the light.

Joachim Algermissen Geboren 1986; Bankkaufmann; Bachelorstudium in General Management an der PFH Göttingen, Master in Banking & Financial Management und Executive MBA in International Asset Management an der Universität Liechtenstein in Vaduz; 2018 Promotion in Volkswirtschaft & Wirtschaftsgeschichte an der Universität Hildesheim.

2019. XXVII, 488 pages. UOrd 70
