Gerhard Ebeling

Lutherstudien. Disputatio de homine

Band 2: Teil 3: Die theologische Definition des Menschen. Kommentar zu These 20–40

[Disputatio de homine, Third Section: The Theological Definition of Man. Commentary to the Theses 20–40. (Lutherstudien, Vol. II/3). By Gerhard Ebeling.]

Published in German.
Ebeling's three volume work on Luther's Disputatio de homine is now complete. This unprecedented work in Luther research intensively interprets the historical and material interlockings of Luther's concise text of 40 theses. The present third volume is the most comprehensive and has developed into a summary of Luther's theology. The separate highly readable presentation is followed by an especially complete formal apparatus with the sources largely in the original wording.

Gerhard Ebeling (1912–2001) 1938 Promotion; 1947 Habilitation; 1962 Gründer des Zürcher Instituts für Hermeneutik; langjähriger Professor für Kirchengeschichte bzw. Systematische Theologie in Tübingen und Zürich; von 1959–1989 Präsident der Kommission zur Herausgabe der Werke Martin Luthers.
