Mit Max Weber

Studien

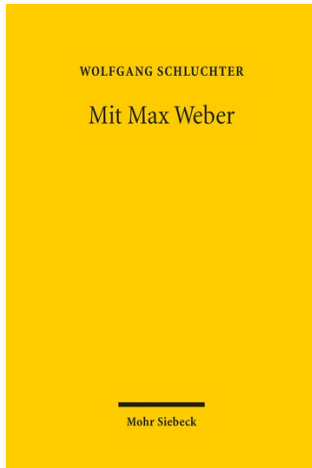

[Working with Max Weber. Studies.]

Published in German.

Even after a hundred years, Max Weber's works are still regarded as a viable research program. The ten essays collected here aim to demonstrate just this by providing a philosophical foundation for the research program and an interpretation of its major insights into the economic, scientific, political and religious developments of a secular age.

Wolfgang Schluchter ist emeritierter Professor für Soziologie an der Universität Heidelberg und geschäftsführender Herausgeber der Max Weber-Gesamtausgabe.
