

New Perspectives on Aramaic Epigraphy in Mesopotamia, Qumran, Egypt and Idumea

Proceedings of the Joint RIAB Minerva Center and the Jeselsohn Epigraphic Center of Jewish History Conference. Research on Israel and Aram in Biblical Times II

Edited by Aren M. Maeir, Angelika Berlejung, Esther Eshel, and Takayoshi M. Oshima

[Tagungsbericht der Konferenz des Gemeinsamen RIAB-Minerva-Zentrums und des Jeselsohn Epigraphic Center of Jewish History. Untersuchungen zu Israel und Aram in der Biblischen Zeit II.]

Published in English.

This volume contains the proceedings of two international meetings held by the Minerva Center for the Relations between Israel and Aram in Biblical Times (RIAB) in Ramat-Gan/Jerusalem (March 2017) and Leipzig (May 2018). Most of the papers relate to various aspects of the Aramaic epigraphy in different contexts with a second part of the volume dealing with Idumean ostraca. The papers will be of interest to ancient historians, archaeologists of the ancient Near East, scholars of Semitic and Biblical studies and the ancient Near East.
