## »Politeía«

### Ein Abenteuer mit Platon

[»Politeía«. An Adventure with Plato. 2nd edition.]

Published in German.

Joachim Lege presents a renarration of Plato's »Politeía« – giving those who are interested the chance to follow Socrates and his friends on their way to finding the concept of Justice (*dikaíosynē*).

In the second edition, some inaccuracies have been corrected. For example, that in democracy those who still follow the rules are likely to be denigrated as »voluntary slaves« (*ethelodóuloi*).
