Hrsg. v. Karl Riesenhuber

[»A Private Law Society«. The Development, Status and Constitution of Private Law. Student edition.]

Published in German.
This volume contains the proceedings of a symposium held at the Ruhr-Universität in Bochum. The authors discuss the foundations of the theory of a private law society in private law, constitutional law and EC law as well as in economic theory. They analyze the various branches of current private law from a national as well as a comparative and a European perspective. They question whether or not the present constitution of the law can still be described as that of a private law society.

Karl Riesenhuber ist Inhaber des Lehrstuhls für Bürgerliches Recht, Deutsches und Europäisches Handels- und Wirtschaftsrecht an der Ruhr-Universität Bochum.
