Produktrückruf und Regress

[Product Recall and Recourse.]

Published in German.

Does the producer of a defective product have an obligation under private law to recall the product from the market? And under which circumstances can the ultimate producer hold its supplier liable for costs incurred in the product recall? These are the questions Mareike Schmidt discusses in a comparative study of German and Swiss private law.

Mareike Schmidt ist Juniorprofessorin für Zivilrecht und rechtswissenschaftliche Fachdidaktik an der Universität Hamburg.
