

Gerhard Ebeling

Psalmenmeditationen

[Psalms-Meditations by Dr. Gerhard Ebeling, Professor of Systematical Theology, University of Zürich.]

Published in German.

The latest sermons, held between 1964 and 1968 in Zürich and Tübingen, allows the listener as well as the reader to take part in the mediation on the texts. The author feels particularly obliged to Luther and Bonhoeffer, who were intensively engaged in the interpretation of the psalms.

Gerhard Ebeling (1912–2001) 1938 Promotion; 1947 Habilitation; 1962 Gründer des Zürcher Instituts für Hermeneutik; langjähriger Professor für Kirchengeschichte bzw. Systematische Theologie in Tübingen und Zürich; von 1959–1989 Präsident der Kommission zur Herausgabe der Werke Martin Luthers.
