## Rulemaking in der Bankenunion

### Administrative Normsetzung von EBA und EZB zur Gewährleistung kohärenter Regulierungsverträge

[Rulemaking in the Banking Union. Administrative Standardsetting of the European Banking Authority and European Central Bank in the Coordination against Systemic Risks.]

Published in German.

The European Monetary Union requires a truly European regulation of banks. So how can regulatory norms and supervisory practices be harmonised? Lukas Philipp Köhler's analysis enquires into the legal nature and effectiveness of administrative instruments that EBA and ECB have at hand and calls for a confident approach by both authorities.
