Sich geben lassen

Das Abendmahl als wirkmächtiges Ereignis

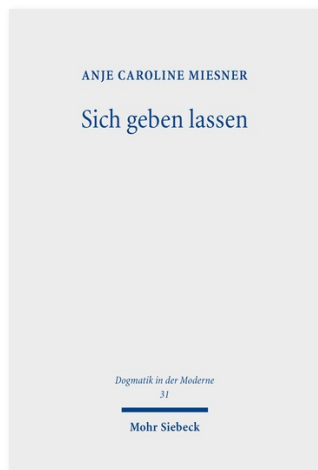

[To Let Yourself Be Given To. Communion as a Powerful Event.]

Published in German.

Communion is often interpreted in theology as a gift. But what does this mean? Anje Caroline Miesner sifts through the philosophical and sociological understandings of this phenomenon, and by interpreting communion with the help of a concept of the 'gift', brings into focus the possibilities its bestowing character opens up to the recipient.

Anje Caroline Miesner Geboren 1976; Studium der Ev. Theologie in Tübingen, Heidelberg und Prag; ordinierte Pfarrerin der Ev. Kirche von Kurhessen-Waldeck; Stipendiatin des Hans-von-Soden-Instituts der Philipps-Universität Marburg (Lahn); 2018 Promotion; derzeit Gemeindepfarrerin im Rhein-Main-Gebiet.
