Studien zur Sprachphilosophie des Deutschen Idealismus

[Speculative Epics. Studies on German Idealism's Philosophy of Language.]

Published in German.

Dirk Westerkamp offers a systematic approach to German idealism's philosophy of language. He argues for the ongoing relevance of its semantical holism and shows how its encounter with rational realism amounts to a philosophically as well as linguistically fruitful discussion on the relation between language and thought, language and world, and language and subjectivity. Its ultimate aim is the pursuit of truth.

Dirk Westerkamp Geboren 1971; Studium der Philosophie, Linguistik und Literaturwissenschaft; 2003 Promotion; 2004–10 Juniorprofessor für Sprachphilosophie und Ästhetik an der Christian-Albrechts-Universität zu Kiel; 2010 Gastprofessor an der Universität Lille; seit 2010 Professor für Theoretische Philosophie und Direktor am Philosophischen Seminar in Kiel.
