

Diethelm Kleszczewski

Strafrecht Besonderer Teil

Lehrbuch zum Strafrecht der Bundesrepublik Deutschland

[The Criminal Code's Special Part.]

Published in German.

In this textbook, Diethelm Kleszczewski details the system of the Textbook on German Criminal Code's special part, and describes different offences with a view to their underlying principles. The author concentrates on important compulsory learning material and illustrates this through recent rulings and discussion of literature. Over 250 cases are considered and with the intuitive checklists provided, the book is suitable for novice and advance students alike.
