The Prologue of the Gospel of John
Its Literary, Theological, and Philosophical Contexts. Papers read at the Colloquium Ioanneum 2013
Ed. by Jan G. van der Watt, R. Alan Culpepper, and Udo Schnelle

Published in English.
A key to understanding the Gospel of John is, in many respects, its prologue; yet questions regarding its origin and background, its structure, use of Greek philosophical terms, and indeed its relationship to the rest of the gospel still remain open. The papers in this volume address each of these questions and were presented at the first meeting of the Colloquium Ioanneum, a group of distinguished international Johannine scholars broadly representing different nationalities, religious traditions and approaches to the gospel. The first part offers differing assessments of the background, literary, and theological elements of the prologue, while the second examines presuppositions, methods, and perspectives involved in philosophical interpretation of the Gospel of John.

Survey of contents

Part 1: Confronting the Challenges of the Prologue

Part 2: Reading the Language and Concepts of the Prologue in Their Philosophical Context

Jan G. van der Watt Born 1952; emeritus professor of the University of Pretoria (South Africa) and Radboud University Nijmegen (Netherlands).

R. Alan Culpepper Born 1946; PhD from Duke University; taught at the Southern Baptist Theological Seminary, Baylor University, and Mercer University, founding dean of the McAfee School of Theology at Mercer University; retired since 2016.
