Understanding Bonhoeffer

[Bonhoeffer verstehen.]

Published in English.

How are we to understand Bonhoeffer? In these essays, Peter Frick attempts to answer this question by examining different aspects of Bonhoeffer's thought, thus illuminating the hermeneutical, philosophical, theological, and social dimensions of his writings. All sixteen essays collected here were written between 2007 and 2014; some of them address the question of methodology, others contribute to Bonhoeffer's intellectual formation, and still others seek to connect with contemporary questions. The aim of the volume is to present Bonhoeffer's key theological and philosophical ideas, and to emphasize their contemporary relevance.

Peter Frick Born 1961; former Academic Dean and current Professor of Religious Studies at United College (formerly St. Paul's University College) at the University of Waterloo, Canada.
