Zugang und Fraktur

Heideggers Subjektivitätstheorie in »Sein und Zeit«

[Access and Fracture. Heidegger's Theory of Subjectivity in *Being and Time*.]

Published in German.

»Zugang« (access) is the hitherto overlooked basic concept of Heidegger's early philosophy up to 1927's *Being and Time*. According to it, being human means opening up access to what there is. This form of existence is made possible by our broken self-relation: the fracture of human subjectivity.

Jaroslav Bledowski Geboren 1982; Studium der Philosophie, Neueren deutschen Literatur und Psychologie; wissenschaftlicher Mitarbeiter am Institut für Philosophie der Rheinischen Friedrich-Wilhelms-Universität Bonn; 2018 Promotion.
